Parents' App – Your login details

1 Install the app or open the web app

Install the tagiNet
parents' app

or

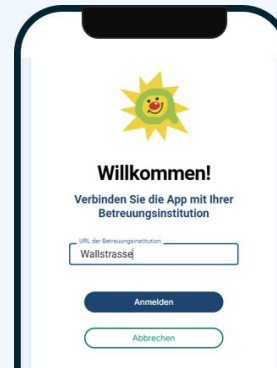

<https://app.taginet.com>

Open the web app
in your browser

2 Connect

or

URL /
Client

<http://localhost/tn/develop>

3 Log in

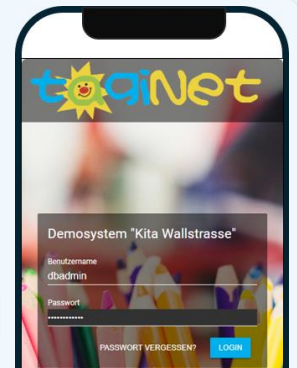

Your login credentials

Initial password

T0DXKCd0

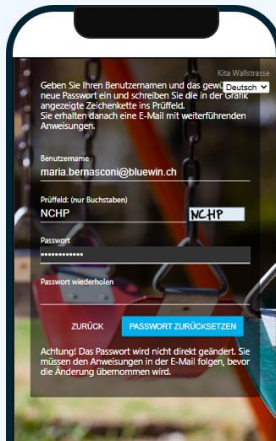

Username

Ebert@taginet.ch

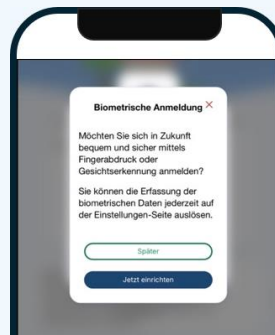

4 Change password (recommended)

- 1 Log out and reconnect to the care (see pt. 2)
- 2 Select **FORGOT YOUR PASSWORD?**
- 3 Enter your username, verification ID and new password (twice)
- 4 Open the link in the confirmation email within 1 hour

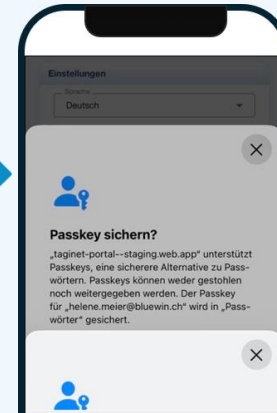

Confirm your
email address!

5 Set up biometric login (recommended)

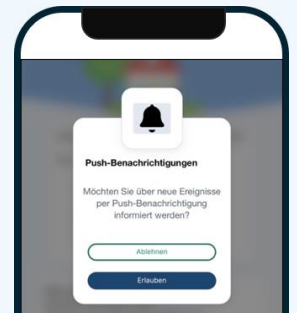

Depending on the
device used

6 Enable push notifications

Get important information
and updates from your
care provider.

Push notifications and biometric login can also be enabled
at a later date via the settings.

Any Questions?

Your care centre will be happy to help!
